INSURANCES.

THE MANHATTAN LIFE INSURANCE COMPANY.

156 & 158, BROADWAY, NEW YORK.

POINTS FOR AN INSURER TO CONSIDER.

AN ORDINARY LIFE INSURANCE Policy provides an estate for your dependants after your death, free from the claims of creditors. An Ordinary Endowment Policy provides for death, and also for your dependants, but at a heavy outlay. THE MANHATTAN LIFE INSURANCE COMPANY offers both advantages combined in one, and at a very much reduced cost. This new policy is superior to ordinary Life Insurance, because you need not "die to win." Superior to ordinary endowment insurance, because much less expensive. Superior to "Tuition" Insurance, because the benefits are not estimated, but are fixed in a positive contract. 2nd.—Because, after three years, there is no FORFEITURE OF PAYMENTS on discontinuance of the policy, a cash or refund value being guaranteed by the New York Law. Business men appreciate the advantages of this new form of insurance, and are largely investing in it, because— The annual deposit is practically SAVED, while it secures the same insurance during a designated period.

POINTS RESUME.

Of a Policy in the MANHATTAN LIFE on the New Plan.

Age, 30; Amount of Policy, \$10,000.

The Annual Premium will be \$30.00.

The 20 payments will amount to \$600.00.

At the end of that time the Company will return to the holder in cash—

Thus the \$10,000 Insurance will have been secured at the net cost for 20 years of only \$600.00.

or \$1.68 for \$1,000 Insurance per year.

or if the Cash be not drawn the Policy will become payable in 10,050.00.

These results are not estimated, but are fixed in a Positive Contract, the full law of the Policy being payable in the event of the death of the insured. There is no forfeiture of payments on discontinuance of policy after three years.

Cash or Paid up Value being Guaranteed by the Terms of the New York Law.

For example, if other terms, and also on the 10 and 15 years plans, write or apply at the Office.
